| January/February Print | RADAR GUIDE | | | AFCEA West, Top Things to See at AFCEA West, Radar Custom Content E-newsletter Webinars: Avionics Safety Certification Innovative Product Feature: Radar | 11/20/17 | 12/13/17 | 1/30 | 1/10 | 1/19 |
| January E-letter | Radar Design Trends | Signal Processing Trends in Radar, Sonar, and Electronic Warfare | RF and Microwave for Radar and Electronic Warfare Systems | | | | | | |
| February E-letter | Unsolicited articles are welcomed. Please contact: ldaigle@opensystemsmmedia.com | | | | - | - | - | 2/1 | 2/16 |
| March Print | AVIONICS ISSUE | | | Aviation Electronics Europe, Sea-Air, Space, Top things to See at Avionics Electronics Europe, Avionics Custom Content E-newsletter Webinar: Thermal Management Challenges Innovative Product Feature: Avionics | 12/20/17 | 1/17 | 2/27 | 3/1 | 3/16 |
| March E-letter | Military Avionics Upgrades | Avionics Safety Certification | Avionics Connectors | | | | | | |
| April/May Print | UNMANNED SYSTEMS ISSUE | | | Xponential, ESC, IMS, SOFIC. Top Things to See at Xponential, Top Things to See at IMS, Unmanned Custom Content E-newsletter Webinar: Solving Avionics Safety Certification Innovative Product Feature: Unmanned | 1/24 | 2/26 | 3/27 | 4/2 | 4/20 |
| April E-letter | Counter-UAV Technology | RF and Microwave Technology for Unmanned Systems | Unmanned Systems Payload Designs from Conectors to Sensors | | | | | | |
| May E-letter | Unsolicited articles are welcomed. Please contact: ldaigle@opensystemsmmedia.com | | | | - | - | - | 5/1 | 5/18 |
| June Print | DEFENSE MARKET ANALYSIS | | | NSREC, Eurosatory, Top Things to See at NSREC, Rad-Hard Custom Content E-newsletter Webinar: Benefits of GaN technology for electronic warfare Executive Speakout: Avionics Trends Innovative Product Feature: Rad-Hard | 3/21 | 4/12 | 5/15 | 6/4 | 6/15 |
| June E-letter | Artificial Intelligence & Machine Learning for Military Systems | Solving Thermal Management Challenges | Reduced SWaP Rad-Hard Components | | | | | | |
| July/August Print | Cyber Warfare Technology | Rugged Computing | Leveraging Big Data for Military Applications | Air Force Association, Rugged Computing Custom Content E-newsletter Innovative Product Feature: Rugged Computing | 5/9 | 6/7 | 7/17 | 7/2 | 7/20 |
| July E-letter | | | | | | | | | |
| August E-letter | Unsolicited articles are welcomed. Please contact: ldaigle@opensystemsmmedia.com | | | | - | - | - | 8/1 | 8/17 |
| September Print | MILITARY EMBEDDED SYSTEMS RESOURCE GUIDE | | | AUSA, Top Things to See at AUSA | 6/12 | 7/13 | 8/21 | 9/3 | 9/21 |
| September E-letter | Special Report: Shipboard Electronics; Mil Tech Trends: Test and Measurement Trends; Industry Spotlight: Managing Supply Chain, Obsolescence, and Counterfeit Parts; Key Resource Guide Categories Include: Avionics, Communications, Cybersecurity, Electronic Warfare, Embedded Hardware, Embedded Software, Obsolescence/EOL, Radar, Real-Time Operating Systems and Tools, RF & Microwave, Safety Certification | | | | | | | | |
| October Print | Signal Processing for ISR Sensor Applications | GaN Technology for Military Applications | Virtualization for Embedded Computing Design | Top Things to See at MILCOM, ISR Custom Content E-newsletter, Annual Military Reader Survey Webinar: Embedded Signal Processing for Military ISR Innovative Product Feature: Military Trends Innovative Product Feature: VITA, PICMG, PC/104 | 7/16 | 8/16 | 9/18 | 10/1 | 10/19 |
| October E-letter | | | | | | | | | |
| Nov/Dec Print | Small Satellites | Military Power Supplies | Open Standards for Embedded Military Systems | Embedded Tech Trends, Military Power Custom Content E-newsletter, Reader Survey Results Innovative Product Feature: Power | 9/5 | 10/5 | 11/13 | 11/1 | 11/16 |
| November E-letter | | | | | | | | | |
| December E-letter | Unsolicited articles are welcomed. Please contact: ldaigle@opensystemsmmedia.com | | | | - | - | - | 12/3 | 12/21 |
